WHITE BUFFALO ASSOCIATES, Omaha, NE, USA 1993 to Present

Founder and President – White Buffalo Associates (WBA) was founded in 1993 to address a global need for individual and collective healing from the wounds of alienation, fragmentation, and loss of mythic stories that contain the structures and patterns of possibilities able to call forth a New Story about planetary interconnectedness, integral thinking, compassionate communities, and conscious evolution into a whole new order of meaning and being. Rooted in the North American indigenous White Buffalo Calf Woman’s message of interconnectedness and right relationships with all life, the Christian message of love, compassion, and service, and the interreligious and inter-spiritual call to co-create a loving, just, and compassionate world of right relationships, WBA provides holistic consulting, education, training, counselling, and learning resources that serve compassionate personal and collective evolutionary transformation, wellbeing, global justice, environmental stewardship, and values-driven servant leadership in the context of whole systems change. These services are customized and collaborative, as well as offered as individual workshops, courses, retreats, and/or training events. For current offerings, see www.whitebuffaloassociates.com.

UNION PACIFIC RAILROAD, Omaha, NE, USA 1980 – 1993

Human Resources Consultant – facilitated personal, cultural, and organizational change

Director, Quality Integration (for Risk Management Department of over 400 employees, which included Personal Injury Claims, Safety, Medical, Police, Freight Claims, and Environmental Management) - initiated leadership development, organizational effectiveness, and employee empowerment; planned and facilitated ‘Investment In Excellence’ system-wide

Manager, Medical Management – led interdepartmental collaboration in the co-creation of holistic program development, supervisory training, and assurance of quality medical treatment and rehabilitation services for employees with back injuries

Assistant to Director - Claims Operations West – supported personal injury and freight claims managers and claims representatives; assisted the Director in management duties and communication with employees; and interviewed potential claims representatives
Personal Injury Claims Representative – provided support for injured employees in Idaho
Management Trainee – worked all departments with system-wide travel, learning, and networking
