**WHITE BUFFALO ASSOCIATES, Omaha, NE, USA 1993 to Present**

**Founder and President** – White Buffalo Associates (WBA) was founded in 1993 to address a global need for individual and collective healing from the wounds of alienation, fragmentation, and loss of mythic stories that contain the structures and patterns of possibilities able to call forth a New Story about planetary interconnectedness, integral thinking, compassionate communities, and conscious evolution into a whole new order of meaning and being. Rooted in the North American indigenous White Buffalo Calf Woman's message of interconnectedness and right relationships with all life, the Christian message of love, compassion, and service, and the interreligious and inter-spiritual call to co-create a loving, just, and compassionate world of right relationships, WBA provides holistic consulting, education, training, counselling, and learning resources that serve compassionate personal and collective evolutionary transformation, wellbeing, global justice, environmental stewardship, and values-driven servant leadership in the context of whole systems change. These services are customized and collaborative, as well as offered as individual workshops, courses, retreats, and/or training events. For information and current offerings, see [www.whitebuffaloassociates.com](http://www.whitebuffaloassociates.com).
